Dear Ms Lefkowitz,

Re: Sholam Weiss – Payment of Outstanding Fees to Piers Gardner

I regret to have to write to you again in search of settlement of Piers' long outstanding fees. The matter has become particularly urgent in the light of the request from Farrell Schultz that Piers should make his file and papers available to Edward Fitzgerald QC of Doughty Street Chambers. As you know, there is a deadline of 23 December 2002 for filing the reply to the submissions of Austria with the Human Rights Committee in Geneva. This matter must therefore be resolved forthwith.

The total amount outstanding is £ 73,618.57 which equates to \$ 115,734.88 at today's exchange rate. As you know, the considerable amount of work conducted by Piers on this aspect of the matter originated with your instructions and undertaking in respect of his fees given on the evening of 23 May 2002, after the European Court of Human Rights declined the second request for interim measures under Rule 39 of its Rules of Procedure. It was then agreed that a communication should be made to the UN Human Rights Committee as a matter of absolute urgency. It was, and the interim measures order which is now central to the issue before the Human Rights Committee was obtained the following day.

The outstanding balance dates back to June of this year with a number of substantial expenses having been incurred on Piers' part. With such a large sum outstanding I must impress upon you the urgent requirement to settle these fees without further delay. This will enable the papers to be transferred in an orderly way so that the matter can continue with Mr Fitzgerald. Please would you therefore contact me straight away to confirm the method and timing of the payment.

I attach a note of all outstanding fees for ease of reference together with copies of the relevant invoices.

Yours sincerely,

David Hockney
Clerk to Piers Gardner
